

Multitray™

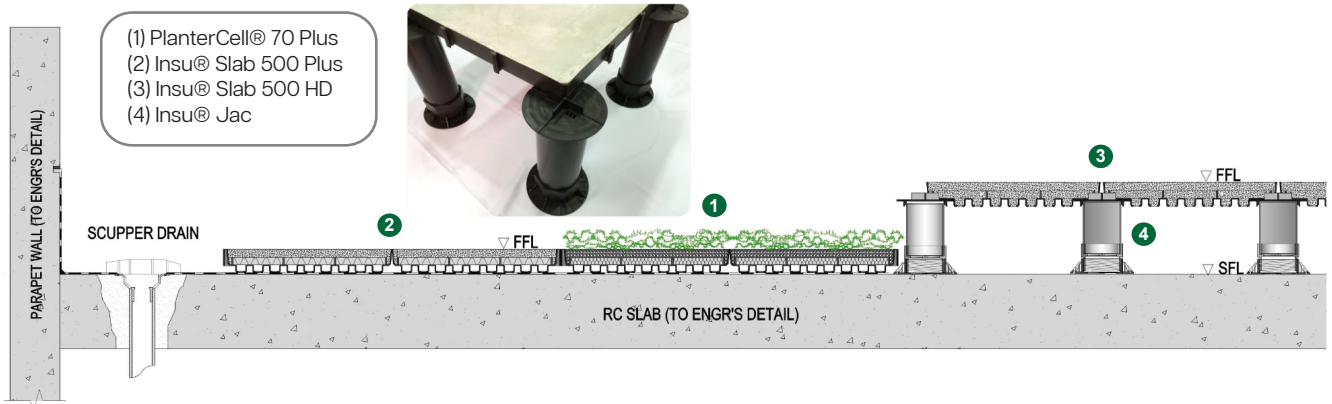

Multitray™ is a modular tray adapted from PlanterCell® 70Plus and used for three systems: PlanterCell® 70Plus, Insu@Slab 500Plus, and Insu@Slab 500HD. Made with 50% recycled polypropylene, it has 87 pedestals that elevate the tray for good drainage and reduced water buildup.

APPLICATIONS:

- Composite Panels with Insu Slab Series
- For faster installation of insulation panels on roof top
- Maintenance Foot Path

BENEFITS:

- Strong modular support
- Faster Installation, Lesser Labour
- Pre Casted Panels
- Made with recycled materials

Insu@Jac for Stone / Slab Decking Installation

Insu@Jac 10 Insu@Jac 45 - 75 (Set A) Insu@Jac 75 - 95 (Set B) Insu@Jac 82 - 102 (Set F)
